There is not any news as of now from the grade level chairs and their decisions for in school outreach programs.

Dues were paid for 246 members. We are currently at 247 members for the year.

Penguin patch will be set up in room A122. We will cover and lock the door daily. This will be the last year for the Penguin Patch Holiday Sale. We will be cancelling the program after this year. One Tuesday, December 12, teachers will walk their students to A122 for a preview of the sale. The volunteers will come get the students from their resource class on Wednesday and Thursday if they have money to shop. This is to help with the loss of resource instruction time.

The Winter Holiday Dance will be held on Friday, December 15. The volunteers may start setting up in the cafeteria at 4:45pm. The dance will be held in the hall near the

cafeteria and the cafeteria only. Decorations will be used to block hall ways that are not to be entered.

A flyer will be sent to peach jar for the PTA Toy Drive that is going to sponsor the 2 children that were displaced due to a fire.

A parent is asking to donate small plaques with names engraved on them for the memorial garden for all 3 of Creekside's angels. The former teachers of these students will be contacted and asked to ask the family for permission for this. We will contact Coach Johnson and ask him to ask the father of the most recent child.

Meeting adjourned at 5:50pm.
